

Volkswagen Canada **CERTIFIED PROGRAM** by TAdvantage

AutoSync, a division of TRADER Corporation, is a suite of modern, connected automotive software solutions that bring your digital advertising, online conversion, and in-store operational efforts together for unrivalled results. We help dealerships increase the effectiveness of their sales efforts, the efficiency of their processes, and the profitability of their business.

TAdvantage: A Website Built to Drive Your Dealership Forward

TAdvantage is AutoSync's premium website platform, purpose-built for Canadian dealers who want to generate more leads, track performance with confidence, and manage inventory in real-time. Developed on flexible, open-source WordPress, TAdvantage offers the flexibility and power to deliver fast-loading, conversion-optimized websites—fully integrated with the tools dealers use every day.

Seamlessly integrated with AutoTrader.ca, TRFFK, Google, and more, it supports your entire digital ecosystem. Whether you choose a fully custom design or a templated version, TAdvantage delivers websites that **drive traffic, convert leads, and reflect your dealership's identity** with no surprise fees.

Key Features

Drive High-Volume, High-Quality Leads

- Fast, mobile-responsive design that converts more traffic
- Marketing pop-ups, Lead generation modules and VINless tiles to engage shoppers early
- Smart tools like Shopping Assistant and MyGarage to keep users moving toward a sale
- Cross-selling tools, email automations for follow-ups

Maintain OEM Compliance

- Bilingual templates and structure built with OEM guidelines in mind
- Customizable promo banners, legal footers, and disclosure tags
- Ongoing updates to align with brand and co-op requirements

Get Full Attribution and Performance Visibility

- Google Analytics 4 support for accurate source tracking with ASC best practices
- Call tracking built in to measure phone conversions
- Cross-domain tracking with Motoinsight:
 - Accurate attribution of conversions to the original traffic sources
 - Better understanding of the user behavior across the full journey
 - Visibility of drop-offs and conversion points across domains

Real-Time Inventory Visibility & Merchandising

- Live inventory sync with AutoTrader.ca and DMS feeds
- Inventory merchandising tools with customizable layouts
- Easy VDP customization, extensive media support, video capabilities

Dedicated Performance Management and on-ground support

- Local, bilingual teams available across Canada

What Sets TAdvantage Apart?

- CMS Open-source Wordpress: fully editable from the back-end
- Rich creative services, unlike templated-only competitors
- **Straightforward Pricing with Built-In Value:** There are **no hidden fees.** Your package includes Onboarding, Setup of Google and Meta, Lead generation modules, email hosting and Integrations fees with AutoTrader, Trade-in with CBB and other 3rd-party vendors
